

INTERAGENCY COMMITTEE ON AUTOMATIC DATA PROCESSING

February 16, 1965

TO: Principal, Alternate and Associate Members

NOTE:

FEBRUARY MEETING

POSTPONED

It is expected that the Bureau of the Budget Report to the President on the Management of Automatic Data Processing will be released shortly.

Therefore, we are postponing the regular February 23, 1965 meeting until such time as the Report is available, so that it can be included as the main agenda item for the next meeting. The agenda will consist of a presentation of the report to be followed by Committee discussion.

The time and place of the next meeting will be announced later, but we are hopeful that a presentation can be arranged within a few days after the report is released publicly.
